### MEDIA ADVISORY

October 23, 2015

### LEGISLATURE BUILDING MAIN DOORS TO SOON RE-OPEN

Effective Monday, October 26, 2015, visitors to the Alberta Legislature will once again be able to enter the building through its main doors.

“The Alberta Legislature is a beloved historic building; the public is encouraged to visit at every opportunity but the considerations for safety and security reflect today’s reality.” said Speaker Wanner. “Achieving balance between safety and accessibility is an ongoing priority as we strive to ensure the safety of the Members of the Legislative Assembly, the staff who work in the building and the thousands of visitors who come to the Legislature every year.”

Individuals with limited mobility can continue to access the building through the west entrance.
