### Legislative Assembly of Alberta suspends Tours and Public Events

**Edmonton-** The health and safety of our Members, staff and visitors is a top priority for the Legislative Assembly of Alberta.

Following the most recent update by Alberta's chief medical officer of health, Dr. Deena Hinshaw, a number of precautionary measures are being implemented.

All tours and public events are suspended and general public access to the Legislature Building and Edmonton Federal Building (EFB) is restricted.

We encourage people to watch the proceedings of the Assembly and its committees on Assembly Online or on Alberta Assembly TV [Channel 843 (Telus) 930 (Shaw) and 263 (Shaw BlueCurve)]. People can also continue to watch the Daily Routine including Oral Question Period on the Assembly's Facebook, Twitter and YouTube channels.

Additional updates will be sent out as the situation continues to develop.
