NEW REGULATIONS IN PLACE FOR VICTORIA DAY SALUTE

EDMONTON, Alta — 20 Field Regiment, Royal Canadian Artillery (Alberta's Gunners) will conduct a 21-gun Victoria Day salute at the Alberta Legislature at 12 p.m. Monday May 22, 2017.

New regulations governing salute ceremonies now require civilian personnel remain 100 meters from the salute site while the guns are firing. Soldiers will be manning the perimeter during the course of the salute. People attending the ceremony at the Alberta Legislature Grounds are requested to observe this perimeter during that time.

Albertans are invited to move forward at the completion of the salute to visit the soldiers and view the artillery pieces.
