

Notice of Amendment

Bill 209

Radon Awareness and Testing Act

A2 Agreed to on December 11, 2017

Ms. Luff to move that Bill 209, *Radon Awareness and Testing Act*, be amended as follows:

A. Section 1 is amended by striking out clause (g).

B. Section 2 is amended by striking out subsection (4) and substituting the following:

(4) Upon the completion of the educational materials prepared under this section, the Minister shall make those materials public in a manner the Minister considers appropriate.
