The *Alberta Hansard* Index is designed to provide easy access to topics discussed in the Legislative Assembly. For this reason it corresponds strictly to the text of *Alberta Hansard*.

**Format**

The index is in two sections: (1) subject index, and (2) speaker index.

**Subject index:** The main entry in this section is a subject heading, which may be followed by subheadings, see/see also references, and a list of members who spoke on that subject. Typical entries in the subject index look as follows:

**Gas industry**
- General remarks *… Allred 6; Knight 834*
- Member’s Statement re *… MacDonald 106; Mason 43*
- Vandalism against *See Ecoterrorism*

**Natural gas industry**
*See* Gas industry

**Speaker index:** In this section, the main entry is the member’s name followed by the subjects spoken on by that member. Typical entries in the speaker index look as follows:

**Evans, Iris (PC, Sherwood Park)**
- Labour supply
- Sustainability of *… 732*
