MESSAGE FROM THE **SPEAKER**

On May 13, 2025, I was elected as the 15th Speaker of the Legislative Assembly of Alberta. It's a privilege that I take very seriously, and I am grateful for the opportunity to serve in this role. Over the past year I've witnessed the inner workings of the Legislative Assembly Office (LAO), the important work it does and the milestones and goals it achieves.

During my time as Speaker the LAO has made meaningful improvements to both the accessibility and the functionality of the Chamber. In October 2025 the Chamber's audio system was upgraded to enhance sound quality for Members as well as for broadcast and recorded proceedings. Additional enhancements were made to support those with visual and hearing impairments, ensuring a more inclusive experience for all. New gallery screens were also installed so that visitors can clearly see Members speaking and the onscreen American Sign Language interpreters during Oral Question Period.

I was honoured to host the 42nd annual Canadian Presiding Officers' Conference in January 2026. Parliamentary leaders from across the country discussed the evolving role of

presiding officers and the challenges and opportunities we face in our respective Legislatures.

The Assembly was also honoured to welcome delegates from Hokkaido, Japan, in 2025, marking 45 years of friendship between our jurisdictions. This long-standing relationship continues to foster collaboration in trade, business, sports and cultural exchange.

Meeting individuals from diverse backgrounds and cultures has been a highlight of my time as Speaker. As we head to the next fiscal year, I am excited to continue working alongside the dedicated staff of the LAO as they advance their mission of connecting people to parliament and supporting the work of the Legislative Assembly of Alberta.

Honourable Ric McIver
Speaker of the Legislative Assembly of Alberta

MESSAGE FROM THE CLERK

While his role as Speaker may have been new to him this year, the Honourable Ric McIver has served as the Member for Calgary-Hays since 2012, holding many positions both in government and opposition. In addition to presiding over proceedings of the Assembly, Speaker McIver represents the institution by welcoming dignitaries and engaging Albertans from diverse backgrounds in the work and traditions of the Legislative Assembly.

Three new Members were sworn in following by-elections held on June 23, 2025: Gurtej Singh Brar, Member for Edmonton-Ellerslie; Naheed K. Nenshi, Member for Edmonton-Strathcona; and Tara Sawyer, Member for Olds-Didsbury-Three Hills.

The phased rollout of our new payroll system marked a major advancement in how Members and employees access pay, benefits and direct deposit information in a single, integrated system. A notable change occurred on February 13, when salaried employees transitioned to a biweekly pay schedule. The move to SharePoint Online further modernized how we collaborate and manage information, supporting the long-term growth of the organization.

In 2025 we also marked 10 years since the Legislative Assembly Office (LAO) relocated to our current offices in the

Queen Elizabeth II Building, a milestone that reflects a decade of growth and continued evolution in how we support the Assembly and its Members.

A key priority of the LAO is fostering a supportive and engaging workplace. Through staff workshops informed by the Trust Index Survey, we continued to strengthen a workplace culture that values employee engagement and continuous improvement.

Throughout the year the LAO continued to deepen our connection with Albertans through a combination of public engagement and education initiatives.

In 2025 the Alberta Legislature Building and Visitor Centre was named Edmonton Tourism's Attraction of the Year. This honour reflects the dedication of our Visitor Services staff and the expertise of other Legislative Assembly Office staff, who consistently develop and deliver engaging, welcoming and memorable experiences for all visitors, both on-site and online.

Finally, the Legislative Assembly community once again demonstrated its commitment to giving back. The 2025 United Way campaign was a success thanks to our hardworking United Way committee members and volunteers, who raised nearly \$17,000 to support local communities and meaningful charities throughout the province.

I am appreciative of the dedication of our staff and look forward to continuing the work we will do in support of the Assembly, its Members and the people they represent.

*Shannon Dean, KC
Clerk of the Legislative
Assembly of Alberta*

KEY HIGHLIGHTS

The 2025–2026 fiscal year marked the conclusion of the Legislative Assembly Office's (LAO's) three-year strategic business plan. Over this period the LAO achieved significant progress, navigated change and strengthened its capacity to serve Albertans of all abilities, backgrounds and cultures.

STRENGTHENING PARLIAMENTARY PARTNERSHIPS

The LAO continued to foster strong provincial, national and international relationships by hosting and participating in key parliamentary events.

In January 2026 Alberta hosted the 42nd annual Canadian Presiding Officers' Conference, at which participants explored topics such as parliamentary outreach, Chamber modernization and security.

Members also participated in the 45th Canadian Regional Parliamentary Seminar in Fredericton, New Brunswick, addressing shared challenges, including tariffs and interprovincial trade.

From October 6 to 12 representatives of Alberta's Legislative Assembly attended the Commonwealth Parliamentary Conference in Barbados. The event provided attendees the opportunity to participate in workshops focused on strengthening democracy through various topics such as overcoming barriers to gender equality in politics and building trust and transparency in democracy.

The Assembly also welcomed international guests, including delegates from Hokkaido, Japan, in May 2025, commemorating 45 years of friendship between sister provinces, with local activities and a ceremonial tree planting.

EMPOWERED PEOPLE, EXCEPTIONAL SERVICE

While parliamentary partnerships strengthened the Assembly's influence beyond Alberta, the LAO also continued investing internally in its people and workplace capabilities.

New staff were welcomed through a comprehensive orientation program, including sessions on parliamentary proceedings and opportunities to engage directly with Speaker Ric McIver and Clerk Shannon Dean.

Employees heard from Her Honour the Honourable Salma Lakhani, Lieutenant Governor of Alberta, who shared her personal journey and reflections on the importance of democracy in Alberta and Canada.

Professional development opportunities also included Crucial Conversations training, supplying employees with skills to navigate complex discussions, and a range of lunch-and-learn sessions on topics such as privacy legislation and emerging trends in artificial intelligence.

Continuing to support staff in their daily work remained a priority for the LAO as demonstrated by the implementation of the new payroll system in February 2026, which streamlined access to payroll and benefits.

Health and safety also held continued focus, with employees completing Standard First Aid (Level C CPR) training to build confidence in emergency response.

The Appreciation and Recognition Employee Advisory Group delivered initiatives such as Fresh Air Fridays and the Fall Festive Appreciation Luncheon, creating opportunities for staff to celebrate achievements and foster friendships across branches.

CONNECTING ALBERTANS TO THEIR ASSEMBLY

Communications Services continued its efforts to engage Albertans through approaches informed by changing digital engagement preferences. Using audience insights gathered throughout the summer months and legislative sessions, the team continued to enhance its already effective social media strategy, ensuring content remained engaging, educational and aligned with public interests.

Broadcast Services played a key role in amplifying engagement activities through high-quality video production, including public awareness campaigns and short-form content, some of which generated more than 20,000 views.

In July 2025 the LAO launched *Beyond the Dome*, a monthly public newsletter giving readers an inside look at the events and activities taking place at the Alberta Legislature.

Using the same software, the LAO also supported outreach activities, providing tools and templates to help constituency offices better connect with Albertans.

A LEGO-compatible Legislature contest contributed to the newsletter's success, helping it gain over 1,000 subscribers in its inaugural year.

Visitor Services worked with Communications Services and Broadcast Services to develop and promote *Your Alberta Legislature: A Story of a Place*, an original exhibit running in the Borealis Gallery until August 2027. The exhibit highlights the history of the Legislature, the land and its people and continues to evolve with new features such as Cree language elements, digital content and enhanced accessibility through QR-enabled storytelling.

The LAO used communications, digital engagement and public programs to help Albertans better access and understand the role and the work of the Legislative Assembly.

Louis Riel is honoured annually for his courageous efforts that helped pave the way for Métis rights and self-governance. Musical performances showcased the vibrant Métis community in Alberta.

HOLODOMOR

November 18, 2025

Holodomor was a Soviet government-engineered famine that occurred in Ukraine from 1932 to 1933. Since the Ukrainian Famine and Genocide (Holodomor) Memorial Day Act received royal assent on November 4, 2008, the Legislative Assembly of Alberta has acknowledged this day annually with deep respect for survivors, those who lost their lives and everyone who continues to be affected by its legacy.

INTERNATIONAL DAY OF PERSONS WITH DISABILITIES

December 3, 2025

As an advocate for persons with disabilities, Speaker Ric McIver was honoured to host International Day of Persons with Disabilities. The ceremony recognized five of the 2025 Alberta International Day of Persons with Disabilities award winners and brought attention to the value people with disabilities bring to our province.

LIGHT UP AT THE LEGISLATURE –

CELEBRATE THE SEASON

December 3 to 20, 2025

The Legislative Assembly of Alberta kicked off its annual Celebrate the Season events on December 3, with the Light Up ceremony. Speaker Ric McIver invited Albertans to enjoy musical performances by the Cosmopolitan Music Society, hot chocolate, festive activities and stunning lights and displays throughout the grounds.

HANUKKAH

December 14, 2025

Since 1992 the Legislature has hosted a Hanukkah celebration, bringing the Jewish community in Alberta together to celebrate their strength and vibrancy. Smiles were seen on the faces of everyone who braved the wintry weather to share in the joy of lighting the seven-metre-high menorah on the Legislature Grounds.

FAMILY DAY

February 16, 2026

Individuals across the Edmonton region gathered at the Alberta Legislature and Queen Elizabeth II Building to celebrate Family Day. Free activities and performances by magician Ron Pearson and entertainer Jojo's Magic Circus attracted hundreds of attendees. The event encouraged the public to spend time with those they love and explore the Alberta Legislature.

BLACK HISTORY MONTH

February 19, 2026

February marks Black History Month, an opportunity for people to learn about and celebrate the achievements, histories and experiences of Black Albertans. Each year the Legislature pays tribute to the contributions of all Black Albertans and their vital role in shaping our province. This ceremony recognized figures like Dr. Carter G. Woodson, often referred to as the father of Black history, and Ako Ufodike, an advocate for diversity in public service in Canada.

LUNAR NEW YEAR

February 24, 2026

Lunar New Year is an ancient festival celebrated by Asian communities around the world. Also known as the spring festival, it is a time for renewal and welcoming good fortune, health and prosperity. This year attendees enjoyed performances by high school students and dragon dancers.

INTERNATIONAL FRANCOPHONIE DAY

March 24, 2026

Speaker Ric McIver invited the public to honour International Francophonie day and the 100th anniversary of the Association canadienne-française de l'Alberta. This year's ceremony theme, Les bâtisseurs et les bâtisseuses de notre francophonie, paid tribute to the Association's contribution to maintaining the vibrant culture of the French-Canadian community in Alberta.

THE LEGISLATIVE ASSEMBLY OFFICE (LAO)

The Legislative Assembly is the centre of the democratic process in Alberta and is responsible for debating issues, passing laws and representing Albertans.

The LAO supports the Legislative Assembly by connecting Albertans with their elected representatives and ensuring the Assembly is accessible to the public.

The LAO provides nonpartisan administrative and procedural support to the Speaker, Members and their staff. It ensures that the Legislative Assembly and its committees operate effectively and efficiently and serves as an organization that protects the traditions and privileges of the institution of parliament in Alberta.

In addition, the LAO exists to inform the public about parliamentary process and the legislative system through public engagement, education and outreach programs.

The LAO facilitates citizen engagement in a number of ways, including broadcasting Assembly and committee proceedings, educating students through its School at the Legislature program, providing public tours and ensuring Assembly debates and decisions are accessible through the Assembly's library and public website and promoted through social media.

The LAO also safeguards the continuity and impartiality of legislative processes by supporting Members and their staff during the period of transition following a general election.

OFFICE OF THE CLERK

The Clerk is the chief executive officer of the Legislative Assembly Office. Under the direction of the Speaker, the Clerk has both procedural and managerial responsibilities and oversees the delivery of nonpartisan services to Members and their staff. The Clerk's office is also responsible for interparliamentary relations, which involves organizing Alberta's participation in parliamentary associations, co-ordinating Member participation in conferences, seminars and exchanges and organizing nonpartisan programs for visiting parliamentarians.

HOUSE SERVICES

House Services supports the operations of the Assembly and its committees, which includes providing research services. The branch provides procedural advice to the Speaker, Members, the Assembly and its committees. In addition, the branch is responsible for the production of various Assembly and committee documents and records, including the Order Paper, Votes and Proceedings and Journals.

PARLIAMENTARY COUNSEL

The Office of Parliamentary Counsel provides legal advice and support on a broad range of issues, including questions of procedure, contract law, employment law and leases. Some members of the office serve as Table Officers, providing legal and procedural advice in the Assembly. The office also offers legislative drafting services for Private Members' Public Bills and amendments tabled in the Assembly.

PARLIAMENTARY SERVICES

Parliamentary Services helps Albertans learn about and engage in the parliamentary process. The branch oversees visitor and educational programming and the use of visitor spaces and venues, including the interactive Legislative Assembly Visitor Centre. The branch also manages the production of Alberta Hansard, the official report of Legislative Assembly debates, in addition to the production of transcripts for committees of the Assembly.

CEREMONIAL AND SECURITY SERVICES

Ceremonial and Security Services is the principal adviser on security matters, managing security for the Legislature Chamber and constituency offices and liaising with external intelligence, public safety and security organizations.

LIBRARY SERVICES

The Legislature Library serves as the parliamentary library for Members of the Legislative Assembly of Alberta. In addition to providing access to collections of relevant information in several formats, the branch offers confidential and authoritative reference services. Responsibility for records management also resides within the branch. The Legislature Library is also open to the public.

HUMAN RESOURCE SERVICES

Human Resource Services provides customized human resource management, compensation and consulting services to support the Legislative Assembly of Alberta.

CORPORATE SERVICES

Corporate Services oversees support relating to financial management, facilities and logistics, information technology, telecommunications and audiovisual and broadcast services. This branch also provides strategic communications consultation, professional writing, digital marketing and design services.

OUR VISION

Albertans are connected to parliamentary democracy.

OUR MISSION

To provide nonpartisan support to the Speaker and the Members of the Legislative Assembly.

To value and uphold the democratic traditions of the Legislative Assembly in a dynamic parliamentary environment.

To promote public awareness, understanding and engagement with the democratic process.

LEGISLATIVE ASSEMBLY
ALBERTA
OFFICE OF THE CLERK

Management's Responsibility for Financial Reporting

The financial statements of the Legislative Assembly Office are the responsibility of office management.

We have prepared the financial statements in accordance with Canadian public sector accounting standards. Financial statements are not precise, since they include some amounts based on management's estimates and judgments, given due consideration to materiality. We have chosen those that we consider present our financial statements fairly in all material respects.

Management is also responsible for maintaining an effective system of internal controls. The costs of controls are balanced against the benefits, including the risks that each control is designed to manage. The internal controls are designed to provide reasonable assurance that financial information is reliable, that assets are safeguarded and that transactions are properly authorized and recorded in accordance with applicable legislation, regulations, authorities, and policies.

The Auditor General of Alberta has audited the financial statements on behalf of the Members of the Legislative Assembly.

Independent Auditor's Report

To the Speaker of the Legislative Assembly

Report on the Financial Statements

Opinion

I have audited the financial statements of the Legislative Assembly Office (the LAO), which comprise the statement of financial position as at March 31, 2026, and the statements of operations, change in net financial assets, and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the LAO as at March 31, 2026, and the results of its operations, its changes in net financial assets, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for opinion

I conducted my audit in accordance with Canadian generally accepted auditing standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am independent of the LAO in accordance with the ethical requirements that are relevant to my audit of the financial statements in Canada, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

Management is responsible for the other information. The other information comprises the information included in the *Annual Report*, but does not include the financial statements and my auditor's report thereon. The *Annual Report* is expected to be made available to me after the date of this auditor's report.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work I will perform on this other information, I conclude that there is a material misstatement of this other information, I am required to communicate the matter to those charged with governance.

Classification: Public

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the LAO's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless an intention exists to liquidate or to cease operations, or there is no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the LAO's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the LAO's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the LAO's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the LAO to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Classification: Public

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

LEGISLATIVE ASSEMBLY OFFICE
NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2026

Note 1 Authority

The Legislative Assembly Office (the Office) operates under the authority of the *Legislative Assembly Act*. Annual operating budgets are approved by the Special Standing Committee on Members' Services. General Revenues of the Province of Alberta fund both the cost of operations of the Office and the purchase of tangible capital assets.

Note 2 Purpose

Within the traditions of parliamentary democracy as constitutionally established in Alberta, the Office will:

1. Provide procedural, administrative and financial support to the Legislative Assembly of Alberta including committees.
2. Support the Speaker of the Legislative Assembly in carrying out the duties of office.
3. Support Members by providing infrastructure, information, legal, procedural and security services required to carry out their roles as elected representatives.
4. Record the proceedings through publication of Alberta Hansard, the Order Papers, Votes and Proceedings and Bills and maintain and preserve the records of the Legislative Assembly.
5. Inform and educate the public on behalf of Members and the institution of Parliament, including public information, public education, visitor programs and library service to the Legislature and general public.
6. Provide a positive, productive, healthy and secure environment for Members and staff of the Assembly.
7. Support the Assembly in protecting its institutions and privileges.
8. Support the exchange of ideas/information among Parliaments through inter-parliamentary activities.
9. Build partnerships with external clients in support of the institution of Parliament.

Note 3 Summary of Significant Accounting Policies and Reporting Practices

The financial statements of the Office have been prepared by management in accordance with Canadian Public Sector Accounting Standards.

(a) Reporting Entity

The reporting entity is the Office, for which the Clerk of the Legislative Assembly is responsible.

The Office operates within the General Revenue Fund (the Fund). The Fund is administrated by the President of Treasury Board and Minister of Finance. All cash receipts of the Office are deposited into the Fund and all cash disbursements made by the Office are paid from the Fund. Net financing provided from General Revenues is the difference between all cash receipts and all cash disbursements made.

As the Office does not have any transactions involving financial instruments that are classified in the fair value category, there is no statement of remeasurement of gains and losses.

(b) Basis of Financial Reporting

Revenues

All revenues are reported on the accrual basis of accounting.

Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed, and services received during the year are expensed.

Note 3 Summary of Significant Accounting Policies and Reporting Practices (Cont'd)

Directly Incurred

Directly incurred expenses are those costs the Office has primary responsibility and accountability for, as reflected in the Offices of the Legislative Assembly budget documents.

In addition to program operating expenses such as salaries and supplies directly incurred expenses also include:

- pension costs which are the cost of employer contributions for current service of employees during the year
- valuation adjustments present changes in the valuation allowances used to reflect assets at their net recoverable or other appropriate value. Valuation adjustments also represent the change in management's estimate of future payments arising from obligations relating to vacation pay and transition allowance.

Incurred by Others

Services contributed by other related entities in support of the Office's operations are not recognized but disclosed in Note 6.

Valuation of Financial Assets and Liabilities

The organization's financial assets and liabilities are generally measured as follows:

<u>Financial Statement Component</u>	<u>Measurement</u>
Cash and cash equivalents	Cost
Accounts receivables	Lower of cost or net recoverable value
Inventories for resale	Lower of cost or net realizable value
Accounts payable and other accrued liabilities	Cost

Financial Assets

Financial assets are assets that could be used to discharge existing liabilities or finance future operations and are not for consumption in the normal course of operations.

Financial assets of the Office are limited to financial claims such as cash, inventory for resale, accounts receivable and advances from other organizations, employees and other individuals.

The fair value of cash and accounts receivable and advances are estimated to approximate their carrying values.

Inventory held for resale is reported at the lower of cost and net realizable value.

Liabilities

Liabilities are present obligations of the Office to external organizations and individuals arising from past transactions or events, occurring before the year end, the settlement of which is expected to result in the future sacrifice of economic benefits. They are recognized when there is an appropriate basis of measurement and management can reasonably estimate the amounts.

The Members' transition allowance is estimated based on Members' years of service and their most recent remuneration amounts.

The fair values of accounts payable and other accrued liabilities, and Members' transition allowance are estimated to approximate their carrying values.

Note 3 Summary of Significant Accounting Policies and Reporting Practices (Cont'd)

Net Financial Assets

Net financial assets indicate financial resources available to finance future operations.

Non-Financial Assets

Non-financial assets are acquired, constructed, or developed assets that do not normally provide resources to discharge existing liabilities, but instead:

- (a) are normally employed to deliver the Office's services;
- (b) may be consumed in the normal course of operations; and
- (c) are not for sale in the normal course of operations.

Tangible capital assets

Tangible capital assets of the Office are recorded at cost and amortized on a straight-line basis over the estimated useful lives of the assets. An asset is deemed a capital item if the cost is greater than or equal to \$5,000 per item, or when the sum of all components that make up or contribute to the finished product are greater than or equal to \$5,000. All costs required in order to make the asset available for use will be included in the cost of the asset and capitalized. This includes costs such as site preparation, delivery and handling, installation, related professional fees for architects and engineers and the estimated cost of dismantling and removing the asset and restoring the site if applicable. The amortization periods are as follows:

Computer hardware and software	3 years
Other equipment	5 years
Furniture	10 years

The Office follows government budgetary practices that allow funds from an operating budget to be used to purchase tangible capital assets. These purchases are included in expenses on the statement of operations but are then removed from expenses through a valuation adjustment and are capitalized and amortized over their useful lives.

Non-financial assets of the Office are limited to tangible capital assets and prepaid expenses.

Prepaid expenses

Prepaid expenses are recognized at cost and amortized based on the terms of the agreement.

Net Cost of Operations

The Office operates one program: Support to the Legislative Assembly. The Statement of Operations summarizes the allocation of the program operating expenses to voted and non-voted spending activities including valuation adjustments as reflected in the Legislative Assembly estimates. Expenses by Object are disclosed in Schedule 1. The Net Cost of Operations represent cost of delivering the program net of revenues earned.

Note 4 Future Changes in Accounting Standards

On April 1, 2026, the Office will adopt the following new conceptual framework and accounting standard approved by the Public Sector Accounting Board:

- **The Conceptual Framework for Financial Reporting in the Public Sector**
The Conceptual Framework is the foundation for public sector financial reporting standard setting. It replaces the conceptual aspects of Section PS 1000 Financial Statement Concepts and Section PS 1100 Financial Statement Objectives. The conceptual framework highlights considerations fundamental for the consistent application of accounting issues in the absence of specific standards.

Note 4 Future Changes in Accounting Standards (Cont'd)

- **PS 1202 Financial Statement Presentation**

Section PS 1202 sets out general and specific requirements for the presentation of information in general purpose financial statements. The financial statement presentation principles are based on the concepts within the Conceptual Framework.

On April 1, 2029, the Office will adopt PS 3251 – Employee Benefits.

- **PS 3251 – Employee Benefits**

This standard will replace and consolidate two old standards, PS 3250 – Retirement benefits and PS 3255 – Post-employment benefits, Compensated Absences and Termination Benefits. The application of the standard will improve the understandability of the financial reporting of employee benefits and provide better information for accountability purposes.

On April 1, 2030, the Office will adopt the amendments to PS 3150 – Tangible Capital Assets.

- **PS 3150 – Tangible Capital Assets**

The amendments standardize capital asset accounting by incorporating Government Not for Profit standards, clarifying recognition and disclosure requirements related to collections, works of art and historical treasures.

Management is currently assessing the impact of the conceptual framework and these standards on financial statements.

Note 6 Expenses Incurred by Alberta Infrastructure (in thousands)

The Office had the following transaction with Alberta Infrastructure for which no consideration was exchanged. The amount for this transaction is estimated based on the actual costs incurred by Alberta Infrastructure to provide the service. The estimated cost for the space is \$6,110 for 16,950 usable m² (2025- \$5,850 for 16,950 usable m²).

Note 7 Members' Transition Allowance Liability
(in thousands)

On February 11, 2025, the Special Standing Committee on Members' Services established a new Transition Allowance for Members of the Legislative Assembly, in accordance with the Members' Allowances Amendment Order (MSC Order No. 02/25).

Under section 9 of the Members' Allowances Order, a transition allowance must be paid in monthly installments, less mandatory statutory deductions, to an eligible Member on the first of (a) the Member resigning their seat, or (b) on dissolution of the Assembly if, for the election immediately following that dissolution, the Member does not stand for re-election, or the Member is defeated in the election. An eligible Member is a person who serves as a Member on or after May 29, 2023, but does not include any Member who has received a transition allowance under the previous plan for eligible service prior to April 23, 2012.

The current transition allowance for eligible Members is determined by multiplying the average monthly amount of the Member's indemnity allowance in the fiscal year in which that Member received the highest indemnity allowance by the number of years, including any fraction of a year calculated on a proportionate basis, that the eligible Member served as a Member on or after April 16, 2019. The transition allowance calculation is limited to a maximum 6 years of service for each Member and cannot include any years for which an eligible Member has already received a transition allowance, such as in the case of an eligible Member who is re-elected during two different periods. In the event of the death of an eligible Member, an allowance equivalent to the amount of the transition allowance owed that Member at the time of their death must be paid to the Member's estate.

Note 8 Defined Benefit Plans
(in thousands)

The Office participates in the following multi-employer pension plans: Management Employees Pension Plan and Public Service Pension Plan. The Office also participates in the multi-employer Supplementary Retirement Plan for Public Service Managers. The expense for these pension plans is equivalent to the annual contributions of \$2,744 for the year ended March 31, 2026 (2025-\$2,487). The Office is not responsible for future funding of the plan deficit other than through contribution increases.

At December 31, 2025, the Management Employees Pension Plan reported a surplus of \$2,101,798 (2024 - surplus of \$1,865,997) and the Public Service Pension Plan reported a surplus of \$7,706,238 (2024 - surplus of \$6,473,956). At December 31, 2025, the Supplementary Retirement Plan for Public Service Managers had a deficit of \$61,574 (2024 - deficit of \$25,325).

The Office also participates in two multi-employer Long Term Disability Income Continuance Plans. At March 31, 2026, the Bargaining Unit Plan reported a surplus of \$18,596 (2025 - surplus of \$8,934) and the Management, Opted Out and Excluded Plan reported a surplus of \$90 (2025 - deficit of \$775). The expense for these two plans is limited to the employer's annual contributions for the year.
