Dear Honourable Ricardo Miranda,

Thank you for the opportunity to provide input on the *Personal Information Protection Act* as this has a direct effect on our affiliated trade unions and their members. The protection of our members' privacy is an issue that is foremost in our minds as we work to represent and advocate in their best interest.

After consultation with our member unions we have determined that there are no issues that are currently outstanding. Should there be any proposed changes to the Act in the future we would welcome an opportunity to discuss these changes with your committee.

Should you require anything further please don't hesitate to contact me directly.

Sincerely,

Warren Fraleigh
Executive Director
Building Trades of Alberta
