PART B: COMMENTS	
Comments *	<p>Short and simple, lobbying should be illegal, it is blatant bribery but we change the name to lobbying because the Government is involved, PLEASE! Zero Lobbyists allowed period, go to the the private sector for money, if they support the cause they will maybe donate, as it is way easier to give money away when it is an endless supply of tax payer money on hand, I guess? Earn your cash like the rest of us, special interest groups have no business receiving funds from the GOV. After all it is not there cash to do what they please with, Trudeau is a Tyrant and does not deserve this position. Abolish Lobbyists!!!!!!</p>
