PART B: COMMENTS	
Comments *	<p>Thank you for the opportunity to comment. I appreciate that several Acts require a periodic review. I think I saw a review of privacy legislation recently, for example. Looking at the Act, I see it needs to be reviewed every five years. My comment, which is more of a question, is whether it's really necessary to do this so often? Perhaps the time for review should be every 10 years instead of 5? We don't even adjust elections boundaries as often as we review these Acts. Thanks for the opportunity.</p>
