Alberta's Economic Future

Lobbyists Act Review Submission

The form response was submitted on 29 November 2021, 01:44 PM.

PART A: CONTACT INFORMATION	
First Name *	Laura
Last Name *	Myers
Organization	
Email *	[REDACTED]
Phone *	[REDACTED]
City/Town *	High River AB
PART B: COMMENTS	
Comments *	Lobbying should not be allowed if a particular group donates to or supports a particular party or their policies to the economic advantage of that particular group. In other words, big business should not buy government support. It's appalling that the government listens to business, but does not listen to individual citizens because we don't have a big money behind our demands.
