Alberta's Economic Future

Lobbyists Act Review Submission

The form response was submitted on 30 November 2021, 06:14 PM.

PART A: CONTACT INFORMATION	
First Name *	Dominic
Last Name *	Thompson
Organization	
Email *	[REDACTED]
Phone *	[REDACTED]
City/Town *	Edmonton
PART B: COMMENTS	
Comments *	Public officials should not be affected by lobbyists. They should be trained in the tactics used by lobbyists, and techniques to ensure their thinking is not manipulated. Ideally, officers would not be employed unless they already possess the ability to weigh evidence and ignore those who exert undue influence. Failing this, officials should taught this skill by a capable person (and examined on it).
