Reading this Bill 203 is very degrading to all of us that have spent most of our lives in this very hard and complex trade. Im by no means a writer but reading this really upsets me of some of the ideas that come from ???????????  
Ive been in the repair business for 37 years and the last 10 running my own shop with my son We have a very strong reputation for QUALITY REPAIRS, HONEST SERVICE, WE DONT NEED A BILL TO DO WHAT WE ALREADY DO?????????
