Dear Ms. Goehring:

Thank you for the invitation to provide feedback to the Standing Committee on Families and Communities on the *Public Sector Compensation Transparency Act*.

The Alberta University of the Arts supports the intent of the legislation to ensure transparency in public sector compensation. However, while still ensuring transparency, we would highly recommend only requiring a single annual disclosure. This recommendation would reduce administrative burden, especially for small institutions such as AUArts, as the legislation currently requires disclosures twice per year (June 30 and then again on December 31).

I appreciate the Committee's consideration of our feedback. If you require any additional information, please contact me through Stephany Laverty, Policy Analyst and Executive Assistant to the Board of Governors, at 403.284.7616.

Respectfully submitted,

Carol Ryder  
Board Chair
