**Subject:** Response - Review of Public Sector Compensation Transparency Act

Good day,

On behalf of the executive of AFSC, our response to the request for input on the review of the Public Sector Compensation Transparency Act is as follows:

We support the government initiative in its role to provide transparency in this act. With this act being in place for four years, the question would be has it accomplished what the mandate or goal that was set for this initiative.

Thank you,

Karla Kochan, MBA
