PART A: CONTACT INFORMATION	
First Name *	Arno
Last Name *	De Klerk
City/Town *	Edmonton
Email *	
PART B: COMMENTS	
Comments *	I support the public disclosure associated of the remuneration of public sector employees (being one of those included in list). The intent of the Act is to be open about how tax dollars are spent and this is the type of transparency that tax payers (myself included) should expect from their elected leadership.
