## I. INTRODUCTION

The mandate of the Standing Committee on Public Accounts is to review the public accounts of the Province of Alberta and ministry annual reports by asking questions with respect to expenditures in government departments and to review the Auditor General's semi annual and other reports.

The Standing Committee on Public Accounts comprises a Chair who is a Member of the Official Opposition and a Deputy Chair who is a member of the government caucus. The composition of the remaining 15 members is proportionate to the number of seats held by each party in the Assembly.

The public accounts of Alberta are prepared in accordance with the *Financial Administration Act* and the *Government Accountability Act*. The public accounts consist of the annual report of the Government of Alberta and the annual reports of each of its ministries.

The **2007-2008 and 2008-2009 annual reports of the Government of Alberta** contain an accountability statement and the consolidated financial statements of the Province. The Measuring Up report provides a comparison of the actual performance results and the desired results as set out in the Government's business plan.

The annual reports for the **ministries for the years ended March 31, 2008, and March 31, 2009**, contain ministers' accountability statements, the audited consolidated financial statements of the ministries and a comparison of actual performance results and the desired results set out in the ministries' business plans.

## **II. COMMITTEE ACTIVITIES**

Pursuant to Government Motion 23, passed on November 27, 2008, an expanded scope and mandate of the Standing Committee on Public Accounts became permanent, including the following:

- **The mandate of the Public Accounts Committee includes reviewing and reporting on the public accounts of Alberta, all reports of the Auditor General of Alberta and any other matter referred to it from time to time by the Legislature. Its mandate extends to all public entities funded by government, including agencies, boards, and commissions.**
- **The Committee may call and question ministers, senior department officials or officials of agencies, boards and commissions of Government and such others as may be necessary for the full pursuit of its duties.**
- **The Committee shall set its own agenda and may sit whether or not the House is in session.**
- **Necessary resources will be provided for staffing to ensure adequate support for the Committee's expanded mandate.**
- **All reports of the Auditor General shall stand permanently referred to the Public Accounts Committee.**
- **The Committee may report to the House, and the government shall respond to a report of the Public Accounts Committee within 150 days of the date on which the Committee reports.**

The practice of deputy ministers and department officials appearing before the Committee without the minister in attendance has continued.

The Auditor General and his staff continued to attend and participate in all Committee meetings and played an active role in Committee briefing sessions.

During the spring 2009 sitting of the Alberta Legislature the Public Accounts Committee held 13 meetings with ministries on the 2007-2008 public accounts and the *Annual Report of the Auditor General of Alberta October 2008*, and the *Report of the Auditor General April 2009* when appropriate.

The 2008-2009 annual report of the Government of Alberta was released in June 2009.

The ministries' annual reports for 2008-2009 were released in September 2009. The release of the semi annual report of the Auditor General followed in October 2009.

The Committee held out-of-session meetings in October with the Alberta Gaming and Liquor Commission, the Agricultural Financial Services Corporation and the Workers' Compensation Board (Alberta). A joint meeting with Alberta Health Services and Alberta Health and Wellness was also held.

During the fall 2009 sitting of the Alberta Legislature the Public Accounts Committee held three regular meetings on the 2008-2009 public accounts and *Report of the Auditor General of Alberta April 2009* and *Report of the Auditor General of Alberta October 2009*.
