-I do not approve of carbon tax  
-NDP should listen to the people  
-We are losing jobs, and no clear answer is given from NDP  
-Liberal government changed the National Anthem, and no one from NDP stood up against them and spoke for the people in Alberta  
-There's alot of angry frustrated hurting people, you know men,women,families... that are being neglected during a time of crisis, and with all that's happened with Fort Mac, and before that the flood in Calgary, NDP is NOT listening to the people, NDP is RAISING taxes, and our debt is increasing.  
-We need strong leadership, and NDP is NOT the leadership that we need at the present time if they keep making choices that goes against the will of the people.  
-Why am I writing this... nobody listens to what the people want anymore so I don't know, perhaps maybe I have this hope that the NDP will not go through with its carbon tax, and NOT RAISE THE MIN WAGE!!! This action will DESTROY small business when we need those the most right now.
